

Kalakriti–Revels '22

Art is a well-known mode of communicating thoughts. It showcases our happiest moments, deepest secrets, darkest days and is more of a sneak peek into the artist's life. This year, during Revels, Kalakriti celebrated a very important sub-category, visual arts, by holding several invigorating and unique events to showcase the skills and prowess of all artists out there.

Gaming–Revels '22

Ranging from the inept to the dexterous, hundreds of gaming enthusiasts took part in the Revels Gaming event to showcase their skills. There were competitions for all the popular mobile and PC games, from Valorant and FIFA to Call of Duty and Rainbow Six Siege.

Sports Events–Revels '22

“All the world is a ground and all the people are merely players.” The Sports events in Revels'22 saw the participants from various colleges across India give their all in a thrilling showcase of their formidable talent in sports, ranging from track and field to team events like football and many more.

Xventure–Revels '22

Xventure consisted of a series of informal and light-hearted events targetting the inner child within each of us. Though a bit challenging at times, some of the quirky tasks assigned brought everyone to splits and contributed to the overall success of this fun-filled category.

Human Library–Revels '22

Human Library proved to be one of the most unique events at Revels 2022. Participants had the opportunity to discover the stories of people from various backgrounds as part of this accommodative and light-hearted event.

Consulere–Revels '22

Consulere brought together business minded students and sought to challenge their ability to think creatively and on their feet. It offered interesting events such as Shark Dank and Bidding Wars which brought out the teamworking and negotiation skills of the contestants.

Dramebaaz–Revels '22

Dramebaaz, with its flagship acting events, was certainly the platform for those with a flair for the dramatic. It boasted of multiple events, each catering to a different aspect of theatre. While some performances tugged at the viewers' heartstrings, others would leave them gasping for air with laughter.

MIT Debate Tournament–Revels '22

The sixth edition of the Manipal Institute of Technology Debate Tournament was hosted under Ergo. It featured debaters from across the globe, spanning 11 countries, engaging in an intense display of competitive debating prowess. Held online, the tournament followed the British Parliamentary Format and enjoyed critical acclaim from renowned debating circles.

Ergo–Revels '22

At the 40th edition of Revels, Ergo offered diverse opportunities to participants with Literary, Debate, and Quiz events in its catalogue. Whether it be the thrill of offline

quizzing after two long years, an international forum of celebrated debaters, word games, or fluid literary works, the participants were left spellbound.

Animania—Revels '22

From TV show-inspired events to brain-wracking quizzes, Animania featured an array of captivating events. In these three events, participants were encouraged to break out of their comfort zones and explore their creativity, resulting in a memorable experience.
