

The Sessionals Playlist

Vol.II [Odd Sem'19]

Tune out the world as you get into study-mode to beat the sessionals. The MIT Post's vocal and instrumental playlists are the perfect companion to your caffeine-fuelled study sessions.

With a wide range of music, the vocals playlist will motivate you while you pull through gruelling all-nighters, and the instrumental playlist will help you focus with its ambient and mellow tunes. Find your rhythm and keep the momentum going with our playlist as you prepare for days ahead.
