

Manipal Institute of Technology–The Sports Chapter

If you think that college life at Manipal is going to be all about studies, then think again, or rather, peruse through this article once. From a world-class gym at Marena to the sylvan ramparts of the MIT ground, Manipal has not compromised when it comes to sports and fitness activities. It becomes hard to keep track of the number of courts for every sport. Rest assured, if you love exercising your body, Manipal will not disappoint you.
